

Some impressions from the successful **2023 edition in Porto, Portugal** :

More than **100 speakers and around 500 attendees** made this congress a highly appreciated, **high-quality event**.

APQ's team, the Portuguese representative of EOQ, provided a culinary gala dinner at the exclusive restaurant of Port wine company 'Caves Ferreira'.

Without the contribution of many **EOQ members and qualified speakers**, this congress would not have been possible.
