EOQ Announces Unanimously Approved New Executive Board

The European Organization for Quality (EOQ) is pleased to announce the unanimous approval of its new Executive Board. Eight candidates were nominated for the eight available positions, and all were confirmed with **no abstentions and no dissenting votes**.

This strong mandate reflects the confidence of the EOQ General Assembly in the new leadership team and its commitment to advancing excellence, innovation, and collaboration across the quality community in Europe and beyond.

New EOQ Executive Board

President : Paulo Sampaio – President of APQ, Portugal

First Vice President : Romana Hofmanová – Director of Certification, CSQ, Czech Republic

Vice Presidents

- Edmond Hajrizi – Founder and Chair of Quality Kosova
- Andreas Ioannides – President of CyAQ
- Milan Šesták – President of SSK
- Liliana Nitu – President–General Director ARC
- Miroslav Drljača – President of Board of Directors OE
- Eltjo Bazen – President of the Board of NNK

A Strong Leadership Team for the Future of Quality

The newly appointed Executive Board brings together a highly respected group of leaders from national quality organizations across Europe. Their combined experience spans certification, education, innovation, policy, and organizational excellence. Together, they will guide EOQ in its mission to:

- Strengthen the European quality movement
- Promote best practices and knowledge exchange
- Support national partner organizations
- Foster international collaboration
- Advance EOQ's impact as Europe's leading voice in quality
